

STAR Attestation Registry Entry Form

The information below is provided as a companion to the CSA STAR Attestation.

Organization Name **Organization URL**

Cloud Service Business Description (200 words or less)

BrowserStack's mission is to empower developers to build amazing experiences. We are the world's leading software testing platform powering over two million tests every day across 15 global data centers. We help Microsoft, Twitter, Barclays, Expedia, and over 25,000 customers deliver quality software at speed by moving testing to our Cloud.

Our platform provides instant access to 3,000+ real mobile devices and browsers on a highly reliable cloud infrastructure that effortlessly scales as testing needs grow. With BrowserStack, Dev and QA teams can move fast while delivering an amazing experience for every customer.

Scope and Applicable Trust Service Principles and Criteria

The scope of the engagement is to examine BrowserStack's description of the system related to General IT Controls for testing platforms and supporting cloud infrastructure services relevant to Security, Availability and Confidentiality of the system and the requirements set forth in Cloud Security Alliance(CSA) Cloud Control Matrix(CCM) v4.0 framework
