

# STAR Attestation Registry Entry Form

The information below is provided as a companion to the CSA STAR Attestation.

**Organization Name** ScienceLogic **Organization URL** <https://sciencelogic.com>

## Cloud Service Business Description (200 words or less)

ScienceLogic is a leader in IT Operations Management, providing modern IT operations with actionable insights to predict and resolve problems faster in a digital, ephemeral world. Its IT infrastructure monitoring and AIOps solution sees everything across cloud and distributed architectures, contextualizes data through relationship mapping, and acts on this insight through integration and automation.

## Scope and Applicable Trust Service Principles and Criteria

This report on the controls relates to the SL1 On-Premise and SaaS Services and Restorepoint Services system provided by ScienceLogic. The scope of the testing was restricted to the SL1 On-Premise and SaaS Services and Restorepoint Services system and its boundaries as defined in Section 3. Schellman conducted the examination testing over the period May 1, 2022, through April 30, 2023.
