

STAR Certificate

Registry Entry Form

The information below is provided as a companion to the CSA STAR Certificate.

Client Name Trend Micro Incorporated

Client URL https://www.trendmicro.com/en_us/business.html

Client Organization Description

Trend Micro, a global cybersecurity leader, helps make the world safe for exchanging digital information. Fueled by decades of security expertise, global threat research, and continuous innovation, our unified cybersecurity platform protects over 500,000 organizations and millions of individuals across clouds, networks, devices, and endpoints. The Trend Micro One unified cybersecurity platform delivers advanced threat defense techniques, extended detection and response (XDR), and integration across the IT ecosystem, including AWS, Microsoft, and Google, enabling organizations to better understand, communicate, and mitigate cyber risk. Trend Micro's global threat research team delivers unparalleled intelligence and insights that power our cybersecurity platform and help protect organizations around the world from 100s of millions of threats daily. We have 7,000 employees across 65 countries, singularly focused on security and passionate about making the world a safer and better place. Trend Micro enables organizations to simplify and secure their connected world.
